# A Season for Art

At BAGA 06 Gallery, we believe Christmas is more than a season of giving. It is a moment to celebrate connection, beauty, and the joy of sharing something truly meaningful.

Art has the extraordinary ability to tell stories, evoke emotions, and create lasting memories. This holiday season, we invite you to embrace the art of giving through a carefully curated selection of original works, where every piece carries a story, a feeling, and a unique expression of creativity.

Christmas Under 5K by BAGA 06 celebrates the joy of collecting through accessible sophistication. Featuring a selection of artworks around $5,000 USD, from sculptures and paintings to prints and mixed media, this collection welcomes both new and seasoned collectors to discover the beauty of gifting original art.
Thoughtful, intimate, joyful, and timeless, each work reflects a dialogue between craftsmanship and emotion.

*Because the most meaningful gifts are not simply given. They are remembered.*

With love, BAGA 06 Gallery.
